

Merit Lilin Technical Support Document

Document Number: Q00040
Date: 12/08/2010
Dept: Technical Support, Taipei

Subject: Supported external USB DVD/RW drive on DVR304, DVR308, DVR316, and NDR104

Description: The report shows the compatibility of external USB DVD/RW drive or compatible DVD disk tested by LILIN for DVR304, DVR304, DVR316, and NDR104 DVRs.

Compatible USB DVD/RW drive

Model #	Brand Name
DRX-S70U-W	Sony
eSAU108	Lite-On
eTAU108	Lite-ON

Compatible DVD Disk

Brand	Specification	Capacity	Max Speed	Note
Melody	DVD-RW	4.7GB	4x	Rewritable
RiTEK	DVD-RW	4.7GB	8x	Rewritable
Sony	DVD+R	4.7GB	8x	Burn once
OEM disk	DVD-R	4.7GB	8x	Burn once

Note:

The USB port of DVR304/DVR308/DVR316/NDR104 provides standard 500mA current via USB port. If the USB DVD/RW does not provide external power adaptor, the DVRs might not provide enough power. External USB hub with external power supplier might needed for providing enough power for the USB DVD/RW drive.
